We use cookies on our website to improve functionality.

By browsing our pages, you agree to the use of cookies in accordance with your browser settings. If you visit our website and at the same time have cookies enabled in your browser, we consider this as consent to their use and acceptance of our terms of use.

### ***What are cookies?***

The name Cookie is derived from the Anglo-Saxon custom of offering a favorite cookie to a visitor to create a more pleasant atmosphere.

A cookie is a small text file that is written to your computer or mobile device when you visit a website. It allows websites to remember information about your visit, for example, it will offer you the content you prefer, ensure that an ad you have already seen is not displayed, in forms it will speed up the filling of data that you filled in on previous visits, and so on.

**It is necessary for you to implement the free [osano.sk application](https://www.osano.com/plans),**

<https://www.osano.com/plans> (free version). According to site traffic

it's easy, you can implement it yourself, but if he was with it

you can contact us if you have a problem.

### ***Legal basis of processing***

If during the recording we can identify the person of the visitor to the web environment, it will be processing personal data according to our Terms for the processing of personal data. We must have a legal basis for such processing. One of the legal bases can be the consent of you as the person concerned, and the second, especially when monitoring activities and their evaluation, will be the legitimate interest of the operator, that is, to offer you the best possible setting of services or support for your activities in a contractual relationship with our company.

### ***Types of cookies***

#### **First party cookies**

These cookies are created and used by the operator of the site you visited.

#### **Third party cookies**

These cookies are created by companies whose services the website operator uses. Some of our pages may contain content from other websites such as Youtube, Facebook and the like, which may create their own cookies stored by your browser.

Third-party cookies are created and used by service providers such as Gemius SA, Google Analytics, Google AdSense, Facebook, Strossle and others. These services are integrated into our site because we consider them useful and completely safe.
